Installing & Activating Advanced Quilt Designer

Welcome to the Advanced Quilt Designer system for embroidery machines.

This Installation Guide gives you some basic information about Advanced Quilt Designer (such as the minimum systems requirements) and also instructions on how to install and activate the program.

System Requirements

Specifications are subject to change without prior notice. For additional information on setup and system requirements, contact your distributor.

Recommended System Requirements:

- Genuine Intel Pentium IV, 2GHz PC computer (or higher) with a CD-ROM drive
- Microsoft® Windows® 7/8/10 operating system
- 1 gigabyte of RAM
- Minimum 1 gigabyte hard disk drive space available
- Mouse

<p>For assistance, please contact Brother Customer service: either by telephone at 1-877-276-8437, or by e-mail at hadsupp@brother.com.</p>
--

The Software Activation Number

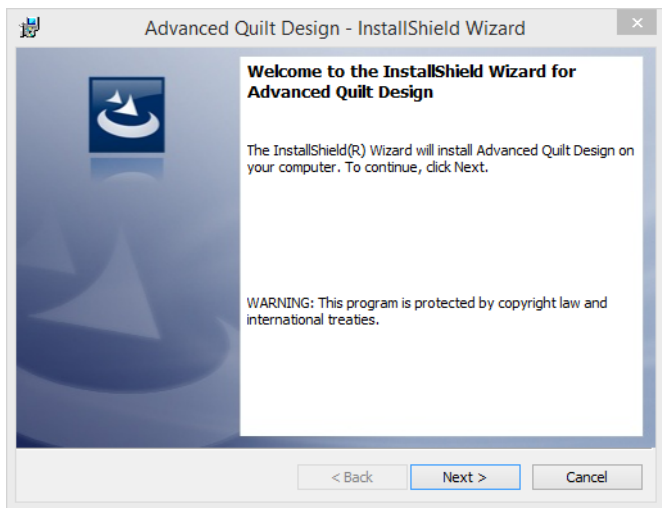

When you purchase Advanced Quilt Designer, you will have been given a software activation serial number by your distributor. Use this number to activate your software once it is installed.

Please note that, while this is a single user license, but it does allow you to activate the software on two computers that you own and operate.

Installing Advanced Quilt Design

To install Advanced Quilt Design:

- 1 Open a web browser, and navigate to the Advanced Quilt Design/ Downloads web page.
- 2 Click the "Download" button to begin your software download.
- 3 When prompted, click "save" to download the software installer to your computer.
- 4 Double-click the downloaded install file to begin the installation.
You see the InstallShield introductory screen.

- 5 Click Next to proceed with the installation.
You see the License Agreement dialog.
- 6 Check the radio button next to "I accept the terms in the license agreement" and click next to continue.
- 7 Follow the instructions on each screen; the InstallShield Wizard will then Install the software on your computer.

The Advanced Quilt Design  icon appears on your desktop.

When you open the software for the first time, you will be prompted to activate your software. Enter the required information and the activation code to do so (see following procedure for details).

Activating Advanced Quilt Design

In order to use the Advanced Quilt Design software (once it is installed), you will have to activate it first. The activation Wizard will easily lead you through this activation process. You can choose one of the following options to obtain a license:

- Using an activation serial number (requires Internet connection).
- By obtaining a site key from Technical Support (for computers without a connection to the Internet).

Activating Advanced Quilt Design via the Internet

If the computer on which you are installing Advanced Quilt Design has an Internet connection, all you need for your activation is the activation serial number that came with your copy of the software.

Please note that, while this is a single user license, it does allow you to activate the software on two computers that you own and operate.

To obtain an activation over the Internet:

1 Do one of the following:

- ♦ Double-click the Advanced Quilt Design Icon  on your desktop.
- ♦ On the Windows start menu, choose Pacesetter—Advanced Quilt Design.

You see the activation screen.

Activation

Confirm Email*:

* Field is required to continue

Product:

Activation Serial Number:

- 2 Fill in the required activation information in the appropriate fields.

Fields marked with an asterisk (*) are required - your software will not be activated otherwise.

- 3 Type your individual activation serial number (that you received with your copy of Advanced Quilt Design) into the Activation Serial Number field.
- 4 Click the Activate Now button on the dialog.
Advanced Quilt Design will open.

Activating Advanced Quilt Design without an Internet Connection

If you have installed the software on a computer that does not have an Internet connection, you will need a site key (in addition to the activation serial number) to complete the activation.

To obtain your activation code, please contact technical support; either by telephone at 1-877-276-8437, or by e-mail at hadsupp@brother.com.

To obtain an activation without an internet connection:

1 Do one of the following:

- Double-click the Advanced Quilt Design  icon on your desktop.
- On the Windows start menu, choose Pacesetter—Advanced Quilt Design.

You see the activation screen.
